Hi Mike,

Although I would have time to review this before I left, it would be best for my replacement (Dave Berry) to do this. The workplan dictates how the human health risk assessment (which Dave would be reviewing) would be conducted, so Dave should have maximum input on that. Even though we were only able to work together for a short time, it was a pleasure working with you. Best of luck on this site in the future.

Sincerely,  
Susan

Dave, if you have any questions regarding the workplan just give me a call or drop by.
